

COMPLIANCE INFORMATION

Submittal of a Compliance Information Form is necessary to fulfill the requirements of Section 903.05 of the Ohio Revised Code (ORC) and rules 901:10-1-02, 901:10-1-03, and 901:10-1-08 of the Ohio Administrative Code (OAC). A Compliance Information Form shall be used by any person applying for a permit to install or permit to operate or for a transfer of an existing permit, under these sections.

Rules 901:10-1-02 and 901:10-1-03 of the OAC and Section 903.05 of the ORC require that all applicants seeking to own or operate a concentrated animal feeding facility (CAFF) fill out a Compliance Information Form if they have not operated a CAFF in the state of Ohio for two of the last five years immediately preceding the permit application. If an applicant seeks to purchase or acquire a previously permitted CAFF pursuant to 903.05(C) and rule 901:10-1-08, the applicant must complete the Compliance Information Form before the CAFF permit can be transferred to the applicant. In addition to the Compliance Information Form, an applicant may submit additional information explaining the applicant's record of environmental compliance. The Department is interested in information that demonstrates competence, reliability, and expertise in the operation of animal feeding facilities.

Applicants should recognize that the Department may verify the information submitted on this form by conferring with other Divisions within the Department of Agriculture as appropriate, e.g., with the Dairy Division or Division of Animal Industry. In addition, the Director may contact the United States Environmental Protection Agency, the Ohio Environmental Protection Agency, the Ohio Department of Natural Resources, local Soil and Water Conservation Districts, other states' regulatory agencies, local health departments, and other appropriate government agencies in other countries to confirm the applicants' compliance history. To expedite the Director's review and verification, the owner, operator, or applicant must submit copies of any documents pertaining to enforcement actions—whether administrative, civil, or criminal—and related compliance information.

A permit to install or permit to operate or an application to transfer a permit can be denied because of the compliance history of the applicant or persons associated with the applicant in the operation of animal feeding facilities. Even if the applicant has operated a concentrated animal feeding facility in Ohio for two of the past five years immediately preceding the application, the Director can deny a new or renewal permit in accordance with Section 903.05(B) of the ORC. If information is submitted to the Director or if the Director obtains other information that the applicant and persons associated with the applicant have a history of substantial noncompliance that indicates that the person lacks sufficient reliability, expertise, and competence to operate the concentrated animal feeding facility in substantial compliance with ORC Chapter 903 or the rules adopted under it, the Director may deny the permit or transfer application. The Director shall deny the permit if the application contains false or misleading information.

For new facilities, a copy of the final report on Compliance Information will become part of the Permit.

The following sections are required for the Compliance Information Form:

- PART 1: APPLICANT'S NAME AND ADDRESS
- PART 2: OTHER ANIMAL FEEDING FACILITIES (IN OHIO ONLY)
- PART 3: OTHER ANIMAL FEEDING FACILITIES (OUTSIDE OHIO; IN U.S.)
- PART 4: OTHER ANIMAL FEEDING FACILITIES (OUTSIDE THE U.S.)
- PART 5: COMPLIANCE RECORD
- PART 6: SIGNATURE AND AUTHORIZATION

INSTRUCTIONS: Applicants for permits to install and permits to operate must complete a separate Compliance Information Form (LEPP-3900-002) for each person identified on General Information Forms. For permit transfers, a copy of this form must be completed for each transferee (permit transferees may find it helpful to also use General Information Forms to organize their submittal). If more space is needed to answer any question, attach a separate piece of paper with the required information.
